Rain can put a serious damper (ha?) on a morning commute or a Sunday shopping trip. Today on [Better TV](#), we show you how to stay prepared for a sudden downpour with some stellar rain gear.

For Your Feet

The [Shuella](#) (\$50) - which comes in four colors - is like a raincoat for your shoes. These Velcro-on shoe covers come with a drying cloth and a carrying case, so you can stash them in your bag when you go inside.

Both these [London Fog Wales](#) (\$130) and the [Aquatalia for Marvin K. Varsity boots](#) (\$498) are quintessential [Rain Boots That Don't Look Like Rain Boots](#) - chic enough to wear all day long, even in sunny weather.
