GOT 4 MINUTES?

Look fabulous whatever the forecast

An umbrella won't save your fave shoes or handbag from a sudden downpour. Rather than furlough your best accessories until fair weather, use these rain covers to shield your stuff when the heavens open. Instead of dashing for cover, you'll simply be dashing!

Puddleproof your pumps

Sunny, Velcro-clasped booties slip over flats and heels. Stash them in their nifty pouch. \$50; Shuella.com

Protect a purse

Consider this carryall a polka-dot insurance policy on all your pocketbooks. When the sun returns, it folds to the size of a cosmetics case. \$75; ShopRain Couture.com
